Songbird - Fleetwood Mac

For you, there'll be no more crying For you, the sun will be shining And I feel that when I'm with you It's alright, I know it's right To you, I'll give the world To you, I'll never be cold 'Cause I feel that when I'm with you It's alright, I know it's right And the songbirds are singing, Like they know the score And I love you, I love you, I love you Like never before And I wish you all the love in the world But most of all, I wish it from myself And the songbirds keep singing Like they know the score And I love you, I love you, I love you Like never before, like never before, Like never before
