

Dog Days Are Over – Florence and the Machine

Happiness hit her like a train on a track
Coming towards her
Stuck still no turning back
She hid around corners and she hid under beds
She killed it with kisses
And from it she fled
With every bubble she sank with her drink
And washed it away down the kitchen sink
The dog days are over
The dog days are done
The horses are coming
So you better run
Run fast for your mother fast for your father
Run for your children For your sisters
And brothers
Leave all your love and your longing behind
You can't carry it with you if you want to
Survive
The dog days are over
The dog days are done
Can you hear the horses?
'Cause here they come
And I never wanted anything from you
Except everything you had and
What was left after that too, oh
Happiness hit her like a bullet in the back
Struck from a great height
By someone who should know better than that
The dog days are over
The dog days are done
Can you hear the horses?
'Cause here they come
Run fast for your mother
Fast for your father
Run for your children
For your sisters and brothers

Leave all your love, and your longing behind

You cant carry it with you if you want to

Survive

The dog days are over

The dog days are done

Can you hear the horses?

'Cause here they come

The dog days are over

The dog days are done

The horses are coming

So you better run

The dog days are over

The dog days are done

The horses are coming

So you better run
