

# No Light, No Light – Florence and the Machine

You are the hole in my head  
You are the space in my bed  
You are the silence in between  
What I thought and what I said

You are the night time fear  
You are the morning when it's clear  
When it's over you're the start  
You're my head, you're my heart

No light, no light in your bright blue eyes  
I never knew daylight could be so violent  
A revelation in the light of day  
You can't choose what stays and what fades away

And I'd do anything to make you stay  
No light, no light  
No light  
Tell me what you want me to say

Through the crowd, I was crying out  
And in your place there were a thousand other faces  
I was disappearing in plain sight  
Heaven help me, I need to make it right

You want a revelation,  
You wanna get it right  
But it's a conversation,  
I just can't have tonight  
You want a revelation  
Some kind of resolution  
You want a revelation

No light, no light in your bright blue eyes  
I never knew daylight could be so violent  
A revelation in the light of day,

You can't choose what stays and what fades away

And I'd do anything to make you stay

No light, no light

No light

Tell me what you want me to say

Would you leave me,

If I told you what I've done?

And would you need me,

If I told you what I've become?

'Cause it's so easy,

To say it to a crowd

But it's so hard, my love,

To say it to you out loud

No light, no light in your bright blue eyes

I never knew daylight could be so violent

A revelation in the light of day,

You can't choose what stays and what fades away

And I'd do anything to make you stay

No light, no light

No light

Tell me what you want me to say

You want a revelation,

You wanna get it right

But it's a conversation,

I just can't have tonight

You want a revelation

Some kind of resolution

You want a revelation

You want a revelation,

You wanna get it right

But it's a conversation,

I just can't have tonight

You want a revelation, some kind of resolution

Tell me what you want me to say
