

# The greatest view – Flume

The coldest peak  
I feel it now  
I'm looking down  
Your face to me  
And I see red in melody  
Come and back me up, but what's that, baby?  
All my love  
Feel it close, it's close enough  
The greatest view  
The greatest view, is you, baby  
'Cause I've been there before  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
All I see  
Is that final piece  
It's easy prey  
At my back  
Feel it close, it's close enough  
'Cause I've been there before  
When all my love fills out my eyes  
Strangles me weak  
The greatest view  
Straight to my chest, is you, baby  
'Cause I've been there before  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
'Cause I've been there before  
Yes, I'll be fine, I know I'll be fine

Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
'Cause I've been there before  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine  
Yes, I'll be fine, I know I'll be fine
