

Alex and the dragon – ("Fly Away" Song by TheFatRat)

Come and fly away with me
Come and fly away with me-e-e-e-e-e
Come and fly away with me
Co-co-come fly away with me-e-e-e-e
Come and fly away with me
Come and fly away with me-e-e-e-e-e
Come and fly away with me
Co-co-come fly away with me-e-e-e-e
Don't you be afraid
Everything will change You and i
Jumping off the edge
They say dreamers never die
So, come and fly
Come and fly
Come and fly away with me
We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views
(We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views)
Somewhere by te emerald sea
Where the moon and water meet
Somewhere close to harmony
When the world is sound asleep
Something's gonna bring a change
Journeys we are meant to take
Something at the edge of space
Calling us to fly away
Don't you be afraid
Everything will change You and i
Jumping off the edge
They say dreamers never die

So, come and fly
Come and fly
Come and fly away with me
We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views
(We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views)
Come and fly away
Come and
Come and fly away
Come and fly away with me
Come and fly away
Come and
Come and fly away
Come and fly away with me
