

# Alex and the dragon – ("Fly Away" Song by TheFatRat)

Come and fly away with me  
Come and fly away with me-e-e-e-e-e  
Come and fly away with me  
Co-co-come fly away with me-e-e-e-e  
Come and fly away with me  
Come and fly away with me-e-e-e-e  
Come and fly away with me  
Co-co-come fly away with me-e-e-e  
Don't you be afraid  
Everything will change You and i  
Jumping off the edge  
They say dreamers never die  
So, come and fly  
Come and fly  
Come and fly away with me  
We're rising, we're falling  
We'll make it through  
We're climbing, we're soaring  
A thousand views  
(We're rising, we're falling  
We'll make it through  
We're climbing, we're soaring  
A thousand views)  
Somewhere by the emerald sea  
Where the moon and water meet  
Somewhere close to harmony  
When the world is sound asleep  
Something's gonna bring a change  
Journeys we are meant to take  
Something at the edge of space  
Calling us to fly away  
Don't you be afraid  
Everything will change You and i  
Jumping off the edge  
They say dreamers never die

So, come and fly  
Come and fly  
Come and fly away with me  
We're rising, we're falling  
We'll make it through  
We're climbing, we're soaring  
A thousand views  
(We're rising, we're falling  
We'll make it through  
We're climbing, we're soaring  
A thousand views)  
Come and fly away  
Come and  
Come and fly away  
Come and fly away with me  
Come and fly away  
Come and  
Come and fly away  
Come and fly away with me
