## Alex and the dragon – ("Fly Away" Song by TheFatRat)

Come and fly away with me Come and fly away with me-e-e-e-e Come and fly away with me Co-co-come fly away with me-e-e-e Come and fly away with me Come and fly away with me-e-e-e Come and fly away with me Co-co-come fly away with me-e-e-e Don't you be afraid Everything will change You and i Jumping off the edge They say dreamers never die So, come and fly Come and fly Come and fly away with me We're rising, we're falling We'll make it through We're climbing, we're soaring A thousand views (We're rising, we're falling We'll make it through We're climbing, we're soaring A thousand views) Somwhere by te emerald sea Where the moon and water meet Somewhere close to harmony When the world is sound asleep Something's gonna bring a change Journeys we are meant to take Something at the edge of space Calling us to fly away Don't you be afraid Everything will change You and i Jumping off the edge

They say dreamers never die

So, come and fly Come and fly Come and fly away with me We're rising, we're falling We'll make it through We're climbing, we're soaring A thousand views (We're rising, we're falling We'll make it through We're climbing, we're soaring A thousand views) Come and fly away Come and Come and fly away Come and fly away with me Come and fly away Come and Come and fly away Come and fly away with me
