

# The Sky Is A Neighborhood – Foo Fighters

The sky is a neighborhood  
So keep it down  
The heart is a storybook  
A star burned out

The sky is a neighborhood  
Don't make a sound  
Lights coming up ahead  
Don't look now

The sky is a neighborhood  
The sky is a neighborhood  
Don't look now

Oh my dear  
Heaven is a big bang now  
Gotta get to sleep somehow  
Bangin' on the ceiling  
Bangin' on the ceiling  
Keep it down

Oh my dear  
Heaven is a big bang now  
Gotta get to sleep somehow  
Bangin' on the ceiling  
Bangin' on the ceiling  
Keep it down

Mind is a battlefield  
All hope is gone  
Trouble to the right and left  
Whose side you're on?

Thoughts like a minefield  
I'm a ticking bomb  
Maybe you should watch your step

Don't get lost

The sky is a neighborhood

The sky is a neighborhood

Don't get lost

Oh my dear

Heaven is a big bang now

Gotta get to sleep somehow

Bangin' on the ceiling

Bangin' on the ceiling

Keep it down

Oh my dear

Heaven is a big bang now

Gotta get to sleep somehow

Bangin' on the ceiling

Bangin' on the ceiling

Keep it down

The sky is a neighborhood

The heart is a storybook

A star burned out

Something coming up ahead

Don't look now

Oh my dear

Heaven is a big bang now

Gotta get to sleep somehow

Bangin' on the ceiling

Bangin' on the ceiling

Keep it down

Oh my dear

Heaven is a big bang now

Gotta get to sleep somehow

Bangin' on the ceiling

Bangin' on the ceiling

Keep it down

Oh my dear  
Heaven is a big bang now  
Gotta get to sleep somehow  
Bangin' on the ceiling  
Bangin' on the ceiling  
Keep it down

The sky is a neighborhood
