

The Sky Is A Neighborhood – Foo Fighters

The sky is a neighborhood
So keep it down
The heart is a storybook
A star burned out

The sky is a neighborhood
Don't make a sound
Lights coming up ahead
Don't look now

The sky is a neighborhood
The sky is a neighborhood
Don't look now

Oh my dear
Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it down

Oh my dear
Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it down

Mind is a battlefield
All hope is gone
Trouble to the right and left
Whose side you're on?

Thoughts like a minefield
I'm a ticking bomb
Maybe you should watch your step

Don't get lost

The sky is a neighborhood

The sky is a neighborhood

Don't get lost

Oh my dear

Heaven is a big bang now

Gotta get to sleep somehow

Bangin' on the ceiling

Bangin' on the ceiling

Keep it down

Oh my dear

Heaven is a big bang now

Gotta get to sleep somehow

Bangin' on the ceiling

Bangin' on the ceiling

Keep it down

The sky is a neighborhood

The heart is a storybook

A star burned out

Something coming up ahead

Don't look now

Oh my dear

Heaven is a big bang now

Gotta get to sleep somehow

Bangin' on the ceiling

Bangin' on the ceiling

Keep it down

Oh my dear

Heaven is a big bang now

Gotta get to sleep somehow

Bangin' on the ceiling

Bangin' on the ceiling

Keep it down

Oh my dear
Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it down

The sky is a neighborhood
