

Times Like This – Foo Fighters

I, I'm a one way motorway
I'm the one that drives away

Then follows you back home

I, I'm a street light shining

I'm a wild light blinding bright
Burning off alone

Oooo

It's times like these you learn to live again
It's times like these you give and give again

It's times like these you learn to love again
It's times like these time and time again

I, I'm a new day rising

I'm a brand new sky

To hang the stars upon tonight

I I am a little divided

Do I stay or run away
And leave it all behind?

Oooo

It's times like these you learn to live again
It's times like these you give and give again

It's times like these you learn to love again
It's times like these time and time again

It's times like these you learn to live again
It's times like these you give and give again

It's times like these you learn to love again
It's times like these time and time again

It's times like these you learn to love again
It's times like these time and time again
