

# Walk – Foo Fighters

A million miles away  
Your signal in the distance  
To whom it may concern  
I think I lost my way  
Getting good at starting over  
Every time that I return

I'm learning to walk again  
I believe I've waited long enough  
Where do I begin?  
I'm learning to talk again  
Can't you see I've waited long enough?  
Where do I begin?

Do you remember the days  
We built these paper mountains  
And sat and watched them burn?  
I think I found my place  
Can't you feel it growing stronger?  
Little conquerors

I'm learning to walk again  
I believe I've waited long enough  
Where do I begin?  
I'm learning to talk again  
I believe I've waited long enough  
Where do I begin?

Now  
For the very first time  
Don't you pay no mind?  
Set me free again  
You keep alive a moment at a time  
But still inside a whisper to a riot  
To sacrifice but knowing to survive  
The first decline another state of mind

I'm on my knees, I'm praying for a sign  
Forever, whenever  
I never wanna die  
I never wanna die  
I never wanna die  
I'm on my knees  
I never wanna die  
I'm dancing on my grave  
I'm running through the fire  
Forever, whatever  
I never wanna die  
I never wanna leave  
I'll never say goodbye  
Forever, whatever  
Forever, whatever

I'm learning to walk again  
I believe I've waited long enough  
Where do I begin?  
I'm learning to talk again  
Can't you see I've waited long enough?  
Where do I begin?

I'm learning to walk again  
I believe I've waited long enough  
I'm learning to talk again  
Can't you see I've waited long enough?
