I want to know what love is - Foreginer

I gotta take a little time A little time to think things over I better read between the lines In case I need it when I'm older

Now this mountain I must climb Feels like a world upon my shoulders I through the clouds I see love shine It keeps me warm as life grows colder

In my life
There's been heartache and pain
I don't know
If I can face it again
Can't stop now,
I've traveled so far
To change this lonely life

I wanna know what love is I want you to show me I wanna feel what love is I know you can show me

I'm gonna take a little time A little time to look around me I've got nowhere left to hide It looks like love has finally found me

In my life
There's been heartache and pain
I don't know
If I can face it again
I can't stop now,
I've traveled so far
To change this lonely life

I wanna know what love is I want you to show me I wanna feel what love is I know you can show me

I wanna know what love is
I want you to show me
And I wanna feel, I want to feel what love is
And I know, I know you can show me

Let's talk about love
I wanna know what love is, the love that you feel inside
I want you to show me, and I'm feeling so much love
I wanna feel what love is, no, you just cannot hide
I know you can show me, yeah

I wanna know what love is, let's talk about love I want you to show me, I wanna feel it too I wanna feel what love is, I want to feel it too And I know and I know, I know you can show me Show me love is real, yeah I wanna know what love is...
