

Everybody Loves Somebody – Frank Sinatra

Everybody loves somebody
Sometime
Everybody falls in love
Somehow
Something in your kiss just
Told me
(That) My sometime is now
Everybody finds somebody
Someplace
There's no telling where love
May appear
Something in my heart keeps
Saying
(That) My someplace is here
If I had it in my power
I'd arrange for every girl to
Have your charm
Then every minute, every hour
Every boy would find what I've
Found in your arms
Everybody loves somebody sometime
And although my dream was overdue
Your love made it well worth waiting
For someone like you
