

Stranger in the night – Frank Sinatra

Strangers in the night exchanging glances
Wond'ring in the night what were the chances
We'd be sharing love before the night was through

Something in your eyes was so inviting
Something in you smile was so exciting
Something in my heart told me I must have you

Strangers in the night
Two lonely people, we were strangers in the night
Up to the moment
When we said our first hello little did we know
Love was just a glance away, a warm embracing dance away

And

Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night

Love was just a glance away, a warm embracing dance away

Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night

Dooby-doooby-doo
