

# Strangers In The Night – Frank Sinatra

Strangers in the night exchanging glances  
Wond'ring in the night  
What were the chances we'd be sharing love  
Before the night was through

Something in your eyes was so inviting  
Something in your smile was so exciting  
Something in my heart  
Told me I must have you

Strangers in the night, two lonely people  
We were strangers in the night  
Up to the moment  
When we said our first hello  
Little did we know  
Love was just a glance away  
A warm, embracing dance away and

Ever since that night we've been together  
Lovers at first sight, in love forever  
It turned out so right  
For strangers in the night

Love was just a glance away  
A warm, embracing dance away

Ever since that night, we've been together  
Lovers at first sight, in love forever  
It turned out so right  
For strangers in the night

Doo be doo be doo  
Doo doo doo de da
