## All is found - Frozen 2

Where the north wind meets the sea There's a river full of memory Sleep, my darling, safe and sound For in this river all is found

In her waters, deep and true
Lay the answers and a path for you
Dive down deep into her sound
But not too far or you'll be drowned

Yes, she will sing to those who'll hear And in her song, all magic flows But can you brave what you most fear? Can you face what the river knows?

Where the north wind meets the sea There's a mother full of memory Come, my darling, homeward bound When all is lost, then all is found
