

I Wanna Be With You – Fun Factory

Check it out, check it out
I wanna be with you,
I wanna be with you, baby
Yeah, baby
I wanna be with you,
I wanna be with you, baby
Yeah, baby
I wanna be with you, aha
I wanna be with you, oh yeah
I wanna be with you 'cause my love is true
There's so many things that I wanna do
I wanna be with you every night and day
Oh baby, oh baby, please stay, oh yeah
Ah-ah-ah
What's up? What's wrong? Don't stop loving me
'Cause my love is very deep
And I know what you need
What can I do to fulfill your dreams?
I wanna be with you
No matter what you do, so come on hit it
Hit it, hit it, get straight with it
'Cause when I see you, girl,
You know you make me go wicked
But back to the point
And you know we keep moving
I wanna be with you
'cause my heart is still grooving
I wanna be with you,
I wanna be with you, baby
Yeah, baby
I wanna be with you,
I wanna be with you, baby
Yeah, baby
I wanna be with you, aha
I wanna be with you, oh yeah
I wanna be with you 'cause my love is true

There's so many things that I wanna do
I wanna be with you every night and day
Oh baby, oh baby, please stay, oh yeah
Ah-ah-ah
Girlie, girlie, tell me what you want from me
So deep in love, baby, can't you see?
I wanna hear some lovely words from you
Come, baby come, say I wanna be with you
I wanna be with you
Say I wanna be with you
Say I wanna be with you
Say I wanna be with you
You wanna be with me, girl,
Well, just come here
The love I got will be right here
I wanna make you weak in every way
'Cause the love I give you walk this way
I wanna be with you,
I wanna be with you, baby
Yeah, baby
I wanna be with you,
I wanna be with you, baby
Yeah, baby
I wanna be with you,
I wanna be with you, baby
Yeah, baby
I wanna be with you,
I wanna be with you, baby
Yeah, baby
I wanna be with you, ah ha
I wanna be with you, oh yeah
I wanna be with you, ah ha
I wanna be with you, oh yeah
