We Are Young ft. Janelle Monáe – Fun.

Give me a second I
I need to get my story straight
My friends are in the bathroom
Getting higher than the empire state
My lover she is waiting for me
Just across the bar
My seat's been taken by some sunglasses
Asking 'bout a scar
And I know I gave it to you months ago
I know you're trying to forget
But between the drinks and subtle things
The holes in my apologies
You know I'm trying hard to take it back
So if by the time the bar closes
And you feel like falling down
I'll carry you home
Tonight
We are young
So let's set the world on fire
We can burn brighter
Than the sun
Tonight
We are young
So let's set the world on fire
We can burn brighter
Than the sun
Now I know that I'm not
All that you got
I guess that I
I just thought
Maybe we could find a ways to fall apart
But our friends are back
So let's raise a toast
Cause I found someone to carry me home

Tonight

We are young

So let's the set the world on fire We can burn brighter Than the sun **Tonight** We are young So let's set the world on fire We can burn brighter Than the sun Carry me home tonight Just carry me home tonight Carry me home tonight Just carry me home tonight The moon is on my side I have no reason to run So will someone come And carry me home tonight The angels never arrived But I can hear the choir So will someone come and carry me home **Tonight** We are young So let's set the world on fire We can burn brighter Than the sun **Tonight** We are young So let's set the world on fire We can burn brighter Than the sun So if by the time the bar closes And you feel like falling down
