

Sweet About Me – Gabriella Cilmi

Oh watching me, hanging by a string this time
Don't easily, climax of the perfect lie
Oh watching me, hanging by a string this time
Don't easily, smile worth a hundred lies

If there's lessons to be learned
I'd rather get my jamming words in first so
Tell you something that I've found
That the worlds a better place when it's upside down boy

If there's lessons to be learned
I'd rather get my jamming words in first so
When your playing with desire
Don't come running to my place when it burns like fire boy

Sweet about me, nothing sweet about me, yeah
Sweet about me, nothing sweet about me, yeah
Sweet about me, nothing sweet about me, yeah
Sweet about me, nothing sweet about me, yeah

Blue, blue, blue waves they crash
As time goes by, so hard to catch
Too, too smooth, ain't all that
Why don't you ride on my side of the tracks

If there's lessons to be learned
I'd rather get my jamming words in first so
Tell you something that I've found
That the worlds a better place when it's upside down boy

If there's lessons to be learned
I'd rather get my jamming words in first so
When your playing with desire
Don't come running to my place when it burns like fire boy

Sweet about me, nothing sweet about me, yeah

Sweet about me, nothing sweet about me, yeah
Sweet about me, nothing sweet about me, yeah
Sweet about me, nothing sweet about me, yeah

Sweet about me, nothing sweet about me, yeah
Sweet about me, nothing sweet about me, yeah
