

# Home – Gabrielle Aplin

I'm a phoenix in the water  
A fish that's learned to fly  
And I've always been a daughter  
But feathers are meant for the sky  
And so I'm wishing, wishing further,  
For the excitement to arrive  
It's just I'd rather be causing the chaos  
Than laying at the sharp end of this knife

With every small disaster  
I'll let the waters still  
Take me away to some place real

'Cause they say home is where your heart is set in stone  
Is where you go when you're alone  
Is where you go to rest your bones  
It's not just where you lay your head  
It's not just where you make your bed  
As long as we're together, does it matter where we go?  
Home home home home

So when I'm ready to be bolder,  
And my cuts have healed with time  
Comfort will rest on my shoulder  
And I'll bury my future behind  
I'll always keep you with me  
You'll be always on my mind  
But there's a shining in the shadows  
I'll never know unless I try

With every small disaster  
I'll let the waters still  
Take me away to some place real

'Cause they say home is where your heart is set in stone  
Is where you go when you're alone

Is where you go to rest your bones  
It's not just where you lay your head  
It's not just where you make your bed  
As long as we're together, does it matter where we go?  
Home home  
home home  
home home  
home home

'Cause they say home is where your heart is set in stone  
Is where you go when you're alone  
Is where you go to rest your bones  
It's not just where you lay your head  
It's not just where you make your bed  
As long as we're together, does it matter where we go?  
Home home  
home home  
home home
