

# In My Dreams – GARY MOORE

Every night I lie in bed  
Try to rest my weary head  
Wishing you were here by me  
To end this misery  
Every night  
I'll see you in my dreams  
Every time it seems  
That we'd belong together  
And I know  
No matter where you are  
Underneath the stars  
I'll see you in my dreams  
Every night I lie awake  
I'm praying that my heart won't break  
I'm wishing you were here by me  
To end my misery  
Every night  
I'll see you in my dreams  
Every time it seems  
That we'd belong together  
And I know  
No matter where you are  
Underneath the stars  
I'll see you in my dreams

-----  
Every night  
I'll see you in my dreams  
Every time it seems  
That we belong together  
And I know  
No matter where you are  
Underneath the stars  
I'll see you in my dreams  
Every night  
I'll see you in my dreams  
Every time it seems

That we'd belong together  
And I know  
No matter where you are  
Underneath the stars  
I'll see you in my dreams
