

Midnight Blues – GARY MOORE

It's the darkest hour of the darkest night
It's a million miles from the morning light
Can't get no sleep, don't know what to do
I've got those midnight blues

When the shadows fall, I feel the night closing in
There must be some reason for this mood I'm getting in
Can't get no sleep, don't know what to do
I've got those midnight blues

Every evening after sundown
As the light begins to fade
I feel so low, but I just don't know
Why these blues won't go away

Every evening after sundown
As the light begins to fade
I feel so low, but I just don't know
Why these blues won't go away

It's the darkest hour of the darkest night
It's a million miles to the morning light
Can't get no sleep, don't know what to do
I've got those midnight blues
I've got those midnight blues
I've got those midnight blues
I've got those midnight blues
