

# Green green grass – George Ezra

Throw a party, throw a party, yeah  
Throw a party  
Well, she moves like lightning and  
She counts to three  
And she turns out all the lights and  
Says she's coming for me  
Now put your hands up, this is a heist  
And there's no one in here living  
Gonna make it out alive  
Loaded up when the sun goes down,  
Getaway car for two young lovers  
Me and the girl, straight out of town,  
Over the hills and undercover  
Undercover, undercover  
She said, "Green, green grass, blue, blue sky  
You better throw a party on the day  
That I die"  
Green, green grass, blue, blue sky  
You better throw a party on the day  
That I die  
We go together, Adam and Eve  
But the girl is so much more than just  
Another apple thief  
Yeah, she's a genius, watch  
And learn  
As she sets the world on fire just to  
Watch the sucker burn  
Loaded up when the sun goes down  
Getaway car for two young lovers  
Me and the girl, straight out of town  
Over the hills and undercover,  
Undercover, undercover  
She said, "Green, green grass, blue, blue sky  
You better throw a party on the day  
That I die"  
Green, green grass, blue, blue sky

You better throw a party on the day

That I die

Throw a party, throw a party, yeah

Throw a party, on the day that I die

Throw a party, throw a party, babe

Throw a party, on the day that I die

Loaded up when the sun goes

Down, getaway car for two young lovers

Me and the girl, straight out of town,

Over the hills and undercover

Undercover, undercover

She said, "Green, green grass, blue, blue sky

You better throw a party on the day

That I die"

Green, green grass, blue, blue sky

You better throw a party on the day

That I die

Green, green grass, blue, blue sky

You better throw a party on the day

That I die

Green, green grass, blue, blue sky

You better throw a party on the day

That I die
