## As - George Michael & Mary J.Blige

As around the sun the earth knows

She's revolving

And the rosebuds know to bloom in early May

Just as hate knows love's the cure

You can rest your mind assure

That I'll be loving you always

As now can't reveal the mystery of tomorrow

But in passing will grow older every day

Iust as all is born is new

Do know what I say is true

That I'll be loving you always

Until the rainbow burns the stars out

In the sky

(Always)

Until the ocean covers every mountain high

(Always)

Until the dolphins fly and parrots

Live at sea

(Always)

Until we dream of life

And life becomes a dream

Did you know that true love asks for nothing?

Her acceptance is the way we pay

Did you know that life has given

Love a guarantee?

To last through forever and another day

As today I know I'm living but tomorrow

Could make me the past but

That I mustn't fear

Now I know deep in my mind

The love of me I've left behind

'Cause I'll be loving you always

Loving you until the rainbow

Burns the stars out

In the sky, loving you

Until the ocean covers every mountain high,

Loving you until the dolphins fly

And parrots live at sea

Loving you until we dream of life

And life becomes a dream

(Now I ll Be loving you)

I will be loving you forever

Always

Did you know that true love asks for nothing?

True love don't wanna pay

Her acceptance is the way we pay

Did you know that life has given

Love a guarantee?

To last forever

Another day

As around the sun the earth knows

She's revolving

And the rosebuds know to bloom in early May

Now I know deep in my mind

The love of me I've left behind

And I will be loving you always

Until the rainbow burns the stars out

In the sky I'll be loving you

Until the ocean covers every mountain high

(I 'll be loving you always)

Loving you Until the dolphins fly

And parrots live at sea

Loving you Until we dream of life

And life becomes a dream

Now I 'll be loving you, always

Now I'll be loving you

I'll be loving you forever

I'll be loving you

Always

Always

Always

Always

Always
