Jesus to a child - George Michael

Kindness

In your eyes

I guess

You heard me cry

You smiled at me

Like Jesus to a child

I'm blessed

I know

Heaven sent

And Heaven stole

You smiled at me

Like Jesus to a child

And what have I learned

From all this pain

I thought I'd never feel the same

About anyone

Or anything again

But now I know

When you find love

When you know that it exists

Then the lover that you miss

Will come to you on those cold, cold nights

When you've been loved

When you know it holds such bliss

Then the lover that you kissed

Will comfort you

When there's no hope in sight

Sadness

In my eyes

No one guessed

Or no one tried

You smiled at me

Like Jesus to a child

Loveless

And cold

With your last breath

You saved my soul You smiled at me Like Jesus to a child And what have I learned From all these tears I've waited for you all those years And just when it began He took you away But I still say When you find love When you know that it exists Then the lover that you miss Will come to you on those cold, cold nights When you've been loved When you know it holds such bliss Then the lover that you kissed Will comfort you When there's no hope in sight So the words you could not say I'll sing them for you And the love we would have made I'll make it for two For every single memory Has become a part of me You will always be My love Well I've been loved So I know just what love is And the lover that I kissed Is always by my side Oh the lover I still miss And the lover that I kissed
