

# True Faith – George Michael

I feel so extraordinary  
Something's got a hold on me  
I get this feeling I'm in motion  
A sudden sense, a sense of liberty  
I don't care 'cause I'm not there  
I don't care if I'm here tomorrow  
Again and again and again I've taken too much  
Of the things that cost you too much  
I used to think that the day would never come  
I'd see the light in the shade  
Of the morning sun  
But don't you know something's really  
Got a hold on me  
My morning sun is the drug  
That brings me near  
To the childhood I lost replaced by fear  
When I was a very small boy  
Very small boys would talk to me  
Now that we've grown up together  
Can you believe?  
They're afraid of what they see  
That's the price that we all pay  
Our valued destiny has come to nothing  
I can't tell you where we're going  
I guess there's just no way of knowing  
I used to think that the day would never come  
I'd see the light in the shade  
Of the morning sun  
My morning sun is the drug that  
brings me near  
To the childhood I lost replaced by fear  
(Something's got a hold on me)  
My morning sun is the drug  
That brings me near  
To the childhood I lost replaced by fear  
Oh and I know and I know

I know it's just so bitter  
And it's so wrong, it's so wrong  
Oh I know and I know but I  
I I have a question  
Big \*\*\*\*\*' question  
I'm in motion, motion  
I'm in motion, I have a question  
And I'm in motion, motion  
I have a question, motion  
I have a question
