

# Through the Years – Gigi De Lena

Through the Years

Kenny Rogers

I can't remember when you weren't there

When I didn't care for anyone but you

And swear

We've been through everything there is

Can't imagine anything we've missed

Can't imagine anything the two of us can't do

Through the years, you've never let me down

You turned my life around,

The sweetest days I've found

I've found with you, through the years

I've never been afraid,

I've loved the life we've made

And I'm so glad I've stayed,

Right here with you

Through the years

I can't remember what I used to do

Who I trusted, whom I listened to before

I swear you've taught me everything I know

Can't imagine needing someone so

But through the years it seems to me

I need you more and more

Through the years,

Through all the good and bad

I knew how much we had,

I've always been so glad

To be with you, through the years

It's better every day,

You've kissed my tears away

As long as it's okay, I'll stay with you

Through the years

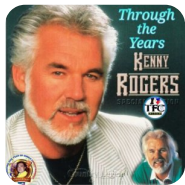

Through the years, when everything went wrong

Together we were strong,

I know that I belonged

Right here with you

Through the years  
I never had a doubt,  
We'd always work things out  
I've learned what love's about, by loving you  
Through the years  
Through the years, you've never let me down  
You've turned my life around,  
The sweetest days I've found  
I've found with you  
Through the years  
It's better everyday,  
You've kissed my tears away  
As long as it's okay, I'll stay with you  
Through the years
