Bad idea! – girl in red

It was a bad idea
Calling you up
Was such a bad idea
'Cause now I'm even more lost
It was a bad idea
To think you were the one
Was such a bad idea
'Cause now everything's wrong
You put your hands under my shirt
Undid my bra and said these words
"Darling, you're so pretty, it hurts"
You pushed me up against my wall
Threw my clothes down on the floor
"Darling, are you ready for more?"
It was a bad idea
Calling you up
Was such a bad idea
I'm totally fucked
It was a bad idea
To think I could stop
Was such a bad idea
I can't get enough
It was a bad idea
Needing you so late
Was such a bad idea
'Cause I can't think straight
It was a bad idea
To bring you back home
Was such a bad idea
I need to be alone
You put your hands under my shirt
Undid my bra and said these words
"Darling, you're so pretty, it hurts"
You pushed me up against my wall
Threw my clothes down on the floor
"Darling, are you ready for more?"

It was a bad idea
Calling you up
Was such a bad idea
I'm totally fucked
It was a bad idea
To think I could stop
Was such a bad idea
I can't get enough
Bad idea
Bad idea
Bad idea
Bad idea
You put your hands under my shirt
Undid my bra and said these words
"Darling, you're so pretty, it hurts"
You pushed me up against my wall
Threw my clothes down on the floor
You said "Darling, are you ready for more?"
It was a bad idea
Calling you up
Was such a bad idea
I'm totally fucked
It was a bad idea
Calling you up
Was such a bad idea
I'm totally fucked
It was a bad idea
To think I could stop
Was such a bad idea
I can't get enough
