Heat Waves - Glass Animals

Last night, all I think about is you Don't stop, baby, you can walk through Don't want, baby, think about you You know that I'm never gonna lose

Road shimmer wigglin' the vision Heat, heat waves, I'm swimmin' in a mirror Road shimmer wigglin' the vision Heat, heat waves, I'm swimmin' in a...

Sometimes, all I think about is you Late nights in the middle of June Heat waves been fakin' me out Can't make you happier now Sometimes, all I think about is you Late nights in the middle of June Heat waves been fakin' me out Can't make you happier now

Usually, I put somethin' on TV
So we never think about you and me
But today, I see our reflections clearly
In Hollywood, layin' on the screen
You just need a better life than this
You need somethin' I can never give
Fake water all across the road
It's gone now, the night has come, but

Sometimes, all I think about is you Late nights in the middle of June Heat waves been fakin' me out Can't make you happier now

You can't fight it, you can't breathe You say somethin' so lovin', but Now I gotta let you go You'll be better off in someone new I don't wanna be alone
You know it hurts me too

You look so broken when you cry One more and then I say goodbye

Sometimes, all I think about is you Late nights in the middle of June Heat waves been fakin' me out Can't make you happier now Sometimes, all I think about is you Late nights in the middle of June Heat waves been fakin' me out Can't make you happier now

I just wonder what you're dreamin' of When you sleep and smile so comfortable I just wish that I could give you that That look that's perfectly un-sad Sometimes, all I think about is you Late nights in the middle of June Heat waves been fakin' me out Heat waves been fakin' me out

Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Can't make you happier now
Sometimes, all I think about is you
Late nights in the middle of June
Heat waves been fakin' me out
Can't make you happier now
