

It's all coming back to me now – Glee

There were nights when the wind was so cold
That my body froze in bed
If I just listened to it
Right outside the window
There were days when the sun was so cruel
That all the tears turned to dust
And I just knew my eyes
Were Drying up forever
I finished crying in the instant
That you left
And I can't remember where or when or how
And I banished every memory
You and I had ever made
But when you touch me like this
And you hold me like that
I just have to admit
That it's all coming back to me
When I touch you like this
And I hold you like that
It's so hard to believe
But It's all coming back to me
(It's all coming back,
It's all coming back to me now)
There were moments of gold
And there were flashes of light
There were things I'd never do again
But then they'd always seemed right
There were nights of endless pleasure
It was more than any laws allow
Baby Baby
If I kiss you like this
And if you whisper like that
It was lost long ago
But it's all coming back to me
I can barely recall
But it's all coming back to me now
