It's all coming back to me now - Glee

There were nights when the wind was so cold

That my body froze in bed

If I just listened to it

Right outside the window

There were days when the sun was so cruel

That all the tears turned to dust

And I just knew my eyes

Were Drying up forever

I finished crying in the instant

That you left

And I can't remember where or when or how

And I banished every memory

You and I had ever made

But when you touch me like this

And you hold me like that

I just have to admit

That it's all coming back to me

When I touch you like this

And I hold you like that

It's so hard to believe

But It's all coming back to me

(It's all coming back,

It's all coming back to me now)

There were moments of gold

And there were flashes of light

There were things I'd never do again

But then they'd always seemed right

There were nights of endless pleasure

It was more than any laws allow

Baby Baby

If I kiss you like this

And if you whisper like that

It was lost long ago

But it's all coming back to me

I can barely recall

But it's all coming back to me now
