Nothing's gonna change my love for you – Glenn Medeiros

If I had to live my life without you near me
The days would all be empty
The nights would seem so long, with you I see forever
Oh, so clearly, I might have been in love before
But it never felt this strong

Our dreams are young and we both know
They'll take us where we want to go
Hold me now
Touch me now
I don't want to live without you

Nothing's gonna change my love for you You ought to know by now how much I love you One thing you can be sure of I'll never ask for more than your love

Nothing's gonna change my love for you You ought to know by now how much I love you The world may change my whole life through but Nothing's gonna change my love for you

If the road ahead is not so easy
Our love will lead the way for us
Like a guiding star
I'll be there for you if you should need me
You don't have to change a thing
I love you just the way you are

So come with me and share the view I'll help you see forever too Hold me now
Touch me now
I don't want to live without you

Nothing's gonna change my love for you You ought to know by now how much I love you One thing you can be sure of I'll never ask for more than your love

Nothing's gonna change my love for you You ought to know by now how much I love you The world may change my whole life through but Nothing's gonna change my love for you

Nothing's gonna change my love for you You ought to know by now how much I love you One thing you can be sure of I'll never ask for more than your love

Nothing's gonna change my love for you You ought to know by now how much I love you One thing you can be sure of I'll never ask for more than your love

Nothing's gonna change my love for you You ought to know by now how much I love you The world may change my whole life through but Nothing's gonna change my love for you

Nothing's gonna change my love for you You ought to know by now how much I love you One thing you can be sure of I'll never ask for more than your love
