Conga – Gloria Estefan

Come on, shake your body baby, do the conga I know you can't control yourself any longer Come on, shake your body baby, do the conga I know you can't control yourself any longer

Come on, shake your body baby, do the conga I know you can't control yourself any longer Feel the rhythm of the music getting stronger Don't you fight it 'til you tried it, do that conga beat

Everybody gather 'round now Let your body feel the heat Don't you worry if you can't dance; Let the music move your feet

It's the rhythm of the island, And like the sugar cane so sweet If you want to do the conga, You've got to listen to the beat

Come on, shake your body baby, do the conga I know you can't control yourself any longer Feel the rhythm of the music getting stronger Don't you fight it 'til you tried it, do that conga beat

Feel the fire of desire, as you dance the night away 'Cause tonight were gonna party, 'til we see the break of day

Better get yourself together, And hold on to what you've got Once the music hits your system, There's no way your gonna stop

(repeat 3x's) Come on, shake your body baby, do the conga I know you can't control yourself any longer

Feel the rhythm of the music getting stronger Don't you fight it 'til you tried it, do that conga beat

Come on, shake your body baby, do the conga
