Can't Take My Eyes Off You – Gloria Gaynor

You're just too good to be true Can't take my eyes off of you You'd be like Heaven to touch I wanna hold you so much At long last, love has arrived And I thank God I'm alive You're just too good to be true Can't take my eyes off of you

Pardon the way that I stare There's nothin' else to compare The thought of you leaves me weak There are no words left to speak But if you feel like I feel Please let me know that it's real You're just too good to be true Can't take my eyes off of you

I love you, baby And if it's quite alright I need you, baby To warm the lonely night I love you, baby Trust in me when I say Oh, pretty baby Don't bring me down, I pray Oh, pretty baby Now that I've found you, stay And let me love you, baby Let me love you

You're just too good to be true Can't take my eyes off of you You'd be like Heaven to touch I wanna hold you so much At long last, love has arrived And I thank God I'm alive You're just too good to be true Can't take my eyes off you

I love you, baby And if it's quite alright I need you, baby To warm the lonely night I love you, baby Trust in me when I say Oh, pretty baby Don't bring me down, I pray Oh, pretty baby Now that I've found you, stay Oh, pretty baby Trust in me when I say Oh, pretty baby

I love you, baby And if it's quite alright I need you, baby To warm the lonely night I love you, baby Trust in me when I say
