

Gods and Monsters – Jessica Lange

In the land of Gods and Monsters,
I was an angel, livin' in the garden of evil,
Screwed up, scared, doing
Anything that I needed,
Shinning like a fiery beacon
You got that medicine I need,
Fame, liqour, love give it to me slowly
Put your hands on my waist, do it softly
Me & God, we don't get along so now I sing
No one's gonna take my soul away,
I'm livin' like Jim Morrison
Headed towards a missed up holiday
Motel, sprees, sprees and I'm singing
Oh yeah, give it to me this
Is heaven, what i truly want
Is innocence lost,
Innocence lost
In the land of Gods & Monsters,
I was an angel, looking to get hard
Like a groupie incognito
Posing as a real singer
Life imitates art
You got that medicine I need
Dope, shoot it up straight
To the heart please
I don't really wanna know what's good for me
God's dead, I said
"Baby that's alright with me"
No ones gonna take my soul away
Livin' like Jim Morrison
Headed towards a missed up holiday
Motel, sprees, sprees and I'm singing
Oh yeah, give it to me
This is heaven, what I truly want
Is innocence lost,
Innocence lost

When you talk it's like a
Movie and you're making me
Crazy -
Cause life imitates art
If I get a little prettier
Can I be your baby?
You tell me, "life isn't that hard"
No ones gonna take my soul away
Livin' like Jim Morrison
Headed towards a missed up holiday
Motel, sprees, sprees and I'm singing
Oh yeah, give it to me this
Is heaven, what I truly want
Is innocence lost,
Innocence lost
