

Sara Barreilles – Gonna get over you

Goodbye

Should be sayin' that to

You by now, shouldn't I?

Layin' down a law that I live by

Well, maybe next time

I've got a thick tongue

Brimming with the words that go unsung

I simmer, then I burn for a someone

The wrong one

I tell myself to let the story end, oh

My heart will rest in someone else's hand

My why-not-me philosophy began

And I say

Ooh, how am I gonna get over you?

I'll be alright, just not tonight

Someday, hey oh, I wish you'd want me to stay

I'll be alright, just not tonight

Someday

"Maybe" it's a vicious little word that can

Slay me

Keep me when I'm hurting and make me

Hang from your hands

Well, no more (no more)

I won't beg to buy a shot at your back door

If I make it at the thought of you, what for?

(what for?)

It's not me anymore

And I'm not the girl that I intend to be

I dare you, darling, just you wait and see

But this time not for you but just for me

And I say

Ooh, how am I gonna get over you?

I'll be alright, just not tonight

Someday, hey oh, I wish you'd want me to stay

I'll be alright, just not tonight

Someday

Say it's comin' soon
Someday without you
All I can do, is get me past the ghost of you
Wave goodbye to me
I won't say I'm sorry
I'll be alright
Once I find the other side of someday
Oh, oh
Whoa, oh
Oh
Oh, oh
Whoa, oh
Whoa, oh
Whoa, oh
Ooh, how am I gonna get over you?
I'll be alright, just not tonight
Someday, hey oh, I wish you'd want me to stay
I'll be alright, just not tonight
Someday
