

# Running home to you - The Flash song – Grant Gustin

Can't say how the days will unfold  
Can't change what the future may hold  
But I want you in it, Every hour, every minute  
This world can race by far too fast  
Hard to see while it's all flying past  
But it's clear now, when you're standing here now  
I am meant to be whenever you are next to me  
All I want to do is come running home to you,  
Come running home to you  
And all my life I'll promise to keep running home to you,  
Keep running home to you  
And I could see it right from the start,  
Right from the start, that you would be,  
Be my light in the dark, light in the dark  
Oh, you gave me no other choice but to love you  
All I want to do is come running home to you,  
Come running home to you  
And all my life I'll promise to keep running home to you,  
Keep running home to you  
Can't say how the days will unfold  
Can't change what the future may hold  
But I want you in it, Every hour, every minute
