

# Summer Night`s – Grease

Summer lovin', happened so fast  
I met a boy, cute as can be

Summer days driftin' away,  
To uh-oh those summer nights

He went by me, got my suit damp  
He showed off, splashing around

Summer sun, something's begun,  
But uh-oh those summer nights

We went strollin', drank lemonade  
We stayed up until ten o'clock

Summer fling don't mean a thing,  
But uh-oh those summer nights

He got friendly, holdin' my hand  
He was sweet, just turned eighteen

Summer heat, boy and girl meet,  
But uh-oh those summer nights

It turned colder, that's where it ends  
Then we made our true love vow

Summer dreams ripped at the seams,  
But oh, those summer nights
