

# Bang Bang – Green Day

I get my kicks and I want to start a rager  
I want to dance like I'm on the video  
I got a fever for violent behavior  
I'm sweating bullets like a modern Romeo

Bang Bang! Give me fame  
Shoot me up to entertain  
I am a semi-automatic lonely boy  
You're dead! I'm well fed  
Give me death or give me head  
Daddy's little psycho and Mommy's little soldier

I testify like a lullaby of memories  
Broadcasting live and it's on my radio  
I got my photo bomb, I got my Vietnam  
I love a lie just like anybody else

Bang Bang! Give me fame  
Shoot me up to entertain  
I am a semi-automatic lonely boy  
You're dead! I'm well fed  
Give me death or give me head  
Broadcasting from my room and playing with my toys

I want to be a celebrity martyr  
The leading man in my own private drama  
Hurrah (bang bang), hurrah (bang bang)  
The hero of the hour  
Daddy's little psycho and Mommy's little soldier

I want to be like the soldiers on the screen  
It's my private ho (ho) ly (war)  
Oh baby baby this is Viva Vendetta  
For this is love or it's World War Zero

I want to be a celebrity martyr

The leading man in my own private drama  
Hurrah (bang bang), hurrah (bang bang)  
The hero of the hour  
Daddy's little psycho and Mommy's little soldier

I want to be a celebrity martyr  
The leading man in my own private drama  
Hurrah (bang bang), hurrah (bang bang)  
The hero of the hour  
Daddy's little psycho and Mommy's little soldier
