

# Say Goodbye – Green Day

Say goodbye to the ones that we love  
Say goodbye to the ones we love  
Say goodbye to the ones that we love  
Goodbye to the ones that we love

Say goodbye to the ones that we love  
Say goodbye to the ones we love  
Say goodbye to the ones that we love  
Say goodbye to the ones that we love

Violence on the rise  
Like a bullet in the sky  
Oh Lord have mercy on my soul  
Kindred Spirits sing  
For the sick and suffering  
The city of damage control  
This is how we (roll, roll)

Say hello to the cops on patrol  
Say hello to the cops on patrol  
Say hello to the cops on patrol  
Say hello to the ones in control

Teach our children well  
From the bottom of the well  
Oh Lord have mercy on my soul  
Hear the children sing  
For the sick and suffering  
The city of damage control  
This is how we (roll, roll)

Violence on the rise  
Like a bullet in the sky  
Oh Lord have mercy on my soul  
Kindred Spirits sing  
For the sick and suffering

The city of damage control

This is how we live

Say your prayer for the ones that we love

Say your prayer for the ones who we love

Say your prayer for the ones that we love

Say goodbye to the ones that we love (this is how we)

Say your prayer for the ones that we love

Say your prayer for the ones who we love

Say your prayer for the ones that we love

Say goodbye to the ones that we love (this is how we)
