

# She – Green Day

She  
She screams in silence  
A sulley roit penetrating through her mind  
Wait  
Wait for a sign  
To smash the silence with the brick of self control

Are you locked up in a world that's been planned out  
For you?  
Are you feeling like a social tool without a use?  
Scream at me until my ears bleed  
I'm taking heed just for you

She  
She's figured out  
All her doubts were someone else's point of view  
Wake  
Wake up this time  
To smash the silence with the brick of self control

Are you locked up in a world that's been planned out  
For you?  
Are you feeling like a social tool without a use?  
Scream at me until my ears bleed  
I'm taking heed just for you

Are you locked up in a world that's been planned out  
For you?  
Are you feeling like a social tool without a use?  
Scream at me until my ears bleed  
I'm taking heed just for you
