

Chasing Cars (lyrics) – Grey's Anatomy

We'll do it all
Everything
On our own
We don't need
Anything
Or anyone
If I lay here
If I just lay here
Would you lie with me
and just forget the world?
I don't quite know
How to say
How I feel
Those three words
Are said too much
They're not enough
If I lay here
If I just lay here
Would you lie with me
and just forget the world?
Forget what we're told
Before we get too old
Show me a garden that's bursting into life
Let's waste time
Chasing cars
Around our heads
I need your grace
To remind me
To find my own
If I lay here
If I just lay here
Would you lie with me
And just forget the world?
Forget what we're told
Before we get too old
Show me a garden that's bursting into life

All that I am
All that I ever was
Is here in your perfect eyes,
They're all I can see
I don't know where
Confused about how as well
Just know that these things
Will never change for us at all
If I lay here
If I just lay here
Would you lie with me
And just forget the world?
