

# Violence – Grimes

I am, like, begging for you baby  
Makes you wanna party  
Wanna break up  
Baby, it's violence, violence  
Baby, it's violence  
But can't see what I see  
You can't see what I see  
Cause you, ha, ha  
You feed off hurting me, hurting me, ha  
I am, like, begging for you baby  
Makes you wanna party, wanna wake up  
Baby, it's violence, violence  
Baby, it's violence  
You can't see what I see  
You can't see what I see  
Cause you, ha, ha  
You feed on hurting me, off hurting me  
Oh, ha  
You wanna make me bad  
Make me bad  
And I like it like that,  
And I like it like that  
You wanna make me bad, pay me back  
Said I like it like that,  
Said I like it like that  
I am, like, begging for you baby  
Makes you wanna party, wanna wake up  
Baby, it's violence, violence  
Baby, it's violence  
But you can't see what I see  
You can't see what I see  
Cause you, ha, ha  
You feed off hurting me,  
Off hurting me, oh, me, oh, me  
You wanna make me bad, make me bad  
And I like it like that,

And I like it like that  
You wanna paint me bad, pay me back  
Said I like it like that,  
Said I like it like that  
You wanna make me bad, make me bad  
And I like it like that,  
And I like it like that  
You wanna paint me bad, pay me back  
Said I like it like that,  
Said I like it like that  
You wanna, make me, make me,  
Make me, make me, make me  
And I like it like that,  
And I like it like that  
You wanna pay me, pay me,  
Pay me back, pay me back  
Said I like it like that,  
Said I like it like that  
And I like it like that,  
And I like it like that  
(Me, oh, me, oh, me, oh, me, oh, me, oh)  
And I like it like that
