

Poison – Groove Coverage

Your cruel device
Your blood, like ice
One look could kill
My pain, your thrill
I want to love you but I better not touch
I want to hold you
But my senses tell me to stop
I want to kiss you but I want it too much
I want to taste you
But your lips are venomous poison
You're poison running through my veins
You're poison,
I don't want to break these chains
Your mouth, so hot
Your web, I'm caught
Your skin, so wet
Black lace on sweat
I want to love you but I better not touch
I want to hold you
But my senses tell me to stop
I want to kiss you but I want it too much
I want to taste you
But your lips are venomous poison
You're poison running through my veins
You're poison,
I don't want to break these chains
Run deep inside my veins
Poison burning deep inside my veins
One look could kill
My pain, your thrill
I want to love you but I better not touch
I want to hold you
But my senses tell me to stop
I want to kiss you but I want it too much
I want to taste you
But your lips are venomous poison

You're poison running through my veins
You're poison,
I don't want to break these chains
Poison
I want to love you but I better not touch
I want to hold you
But my senses tell me to stop
I want to kiss you but I want it too much
I want to taste you
But your lips are venomous poison
You're poison running through my veins
You're poison,
I don't want to break these chains
