Poison – Groove Coverage

Your cruel device Your blood, like ice One look could kill My pain, your thrill I want to love you but I better not touch I want to hold you But my senses tell me to stop I want to kiss you but I want it too much I want to taste you But your lips are venomous poison You're poison running through my veins You're poison, I don't want to break these chains Your mouth, so hot Your web, I'm caught Your skin, so wet Black lace on sweat I want to love you but I better not touch I want to hold you But my senses tell me to stop I want to kiss you but I want it too much I want to taste you But your lips are venomous poison You're poison running through my veins You're poison, I don't want to break these chains Run deep inside my veins Poison burning deep inside my veins One look could kill My pain, your thrill I want to love you but I better not touch I want to hold you But my senses tell me to stop I want to kiss you but I want it too much I want to taste you But your lips are venomous poison
