

She – Groove Coverage

She hangs out every day near by the beach
Havin' a Heineken fallin' asleep
She looks so sexy when she's walking the sand
Nobody ever put a ring on her hand

Swim to the oceanshore fish in the sea
She is the story the story is she
She sings to the moon and the stars in the sky
Shining from high above you shouldn't ask why

She is the one that you never forget
She is the heaven-sent angel you met
Oh, she must be the reason why god made a girl
She is so pretty all over the world

She plays the rhythm, the beat and the drum
She comes in the morning and the evening she's gone
Every little hour every second you live
Trust in eternity that's what she gives

She looks like Marilin, walks like Susan
She talks like Monica and Mary-Anne
She works in everything that she might do
And she will respects you forever just you

She is the one that you never forget
She is the heaven-sent angel you met
Oh, she must be the reason why god made a girl
She is so pretty all over the world
She is so pretty all over the world
She is so pretty
She is like you and me
Like then like we
She is inhumanly

She is the one that you never forget

She is the heaven-sent angel you met
Oh, she must be the reason why god made a girl
She is so pretty all over the world

She is the one that you never forget
She is the heaven-sent angel you met
She must be the reason why god made a girl
She is so pretty all over the world
