Big in Japan - Guano Apes

Winter's city-side Crystal bits of snowflakes All around my head and in the wind I had no illusions That I'd ever find a Glimpse of summer's heat-waves in your eyes You did what you did to me, Now it's history I see Here's my comeback on the road again Things will happen while they can I will wait here for my man tonight, It's easy when you're big in Japan You're big in Japan You're big in Japan You're big in Japan It's when You're big in Japan, Then I'll sleep by your side All through the night Big in Japan, it's easy to be Neon on my skin Passing silhouettes of strange Illuminated mannequins Shall I stay here at the zoo Or shall I go and change My point of view for other ugly scenes You did what you did to me, Now it's history I see Things will happen while they can I will wait here for my man tonight, It's easy when you're big in Japan You're big in Japan You're big in Japan You're big in Japan It's when

You're big in Japan,

Then I'll sleep by your side All through the night Big in Japan, it's easy to be Too late, too late You're big in Japan You're big in Japan You're big in Japan It's when You're big in Japan, Then I'll sleep by your side All through the night Big in Japan, it's easy to be You're big in Japan, Then I'll sleep by your side All through the night Big in Japan, it's easy to be You're big in Japan You're big in Japan You're big in Japan It's when You're big in Japan
