

# Highway To Freedom – Gudrun Laos

He was fighting for the people  
Who destroyed his paradise  
He was fighting with compassion -  
He'll never fight with lies  
He was fighting like a hero, but the time -  
It slips away  
He's the universal soldier -  
It is harder every day  
Children of the revolution -  
Children of the universe  
Come sing this song of freedom  
'cause it's our Earth  
It's a highway to freedom -  
Not a highway to hell  
It's a highway to freedom -  
Only time can tell  
It's a highway to freedom -  
Save the place in your heart  
It's a highway to freedom -  
If you don't break apart  
Ah!  
He was fighting for democracy,  
He was fighting for his life  
He was fighting for his family -  
The strong will survive  
He was fighting for the animals when  
The last eagle flies  
He was fighting for the ocean -  
And you'll never see him cry  
Children of the revolution -  
Children of the universe  
Sing this song of freedom  
'cause it's our Earth  
It's a highway to freedom -  
Not a highway to hell  
It's a highway to freedom -

Only time can tell  
It's a highway to freedom -  
Save the place in your heart  
It's a highway to freedom -  
If you don't break apart  
It's a highway to freedom -  
Not a highway to hell  
It's a highway to freedom -  
Only time can tell  
It's a highway to freedom -  
Save the place in your heart  
It's a highway to freedom -  
If you don't break apart
