

That's What Love Is All About – Gudrun Laos

You're sending me flowers -
It's not over - oh, my love
Can't you hear my heartbeat?
It feels like a first time -
I just can't get enough
Can't you feel my love heat?
My love (I swear) is true
Baby, I'm missing you
That's what Love is all about
You're leaving me, baby
That's what Love is all about
You're driving me crazy
You can hold on
Baby, I swear that I will love you
You can dream on
Baby, I know my heart is so true
If you don't want me, darling,
Tell the truth and then let me go
Time will wait for no one
My arms run of memory -
It's so hard for me to know
That I can't be so strong
I haven't time for pain
When will I see you again?
That's what Love is all about
You're leaving me, baby
That's what Love is all about
You're driving me crazy
You can hold on
Baby, I swear that I will love you
You can dream on
Baby, I know my heart is so true
That's what Love is all about
You're leaving me, baby
That's what Love is all about
