

# Monster – GUMI

(Let me introduce myself)  
You didn't think I was done  
Did ya?  
Well I just began having my fun  
Baby  
Some people live for attention  
Playing the victim  
But baby, I was born to do the killing

I see how you going crazy  
Always thinkin' 'bout me  
Baby on the daily  
Feed me your negativity  
Talk some more about me  
I know that you love me, love me

Funny how you think I'm bothered  
Know I'm nothing like the others  
You shouldn't have messed with me  
'Cause I heard  
That you're afraid of monsters, monsters

Are you ready for the monster, monster  
Are you ready for the monster, monster  
Are you ready for the monster, monster  
You ain't ready for the monster, monster

I'm just being me  
Cut out the things that I don't need  
And I don't care if you disagree  
I don't need no sympathy  
Winning the game on my own  
(Yeah baby)

I see how you going crazy  
Always thinkin' 'bout me

Baby on the daily  
Feed me your negativity  
Talk some more about me  
I know that you love me, love me

Funny how you think I'm bothered  
Know I'm nothing like the others  
You shouldn't have messed with me  
'Cause I heard  
That you're afraid of monsters, monsters

Are you ready for the monster, monster  
Are you ready for the monster, monster  
Are you ready for the monster, monster  
You ain't ready for the monster, monster

Ah, it could've been so different between us  
But then you went and messed everything up  
You took a knife and stabbed me in the back  
Took everything I had  
Went to your friends and laughed  
This is the last time  
I'm gonna tell you now  
If you try to break me  
I'm gonna burn you down  
Oh baby I'm done with you  
Not coming back for you  
You

(Let me introduce myself)  
It's  
Funny how you think I'm bothered  
Know I'm nothing like the others  
You shouldn't have messed with me  
'Cause I heard  
That you're afraid of monsters, monsters

Are you ready for the monster, monster  
Are you ready for the monster, monster

Are you ready for the monster, monster  
You ain't ready for the monster, monster
